This week we have started to look at the story 'We're going on a bear hunt', a favourite for the children and teachers! The children have been exploring the different textures from the story, such as thick oozy mud and cold icy snow, then acting out the story using a text map. In maths we are arranging numbers and making number sets. The new children have been enjoying number rhymes and reciting numbers. The children have been learning about prayer and making the sign of the cross. Alongside treating each other with kind hands and words and developing lovely friendships.

## Parent Governor

As you know we had our ballot a few weeks ago and successfully appointed Lisa Parkinson as our second parent governor. We now have a parent voice in each school. Congratulations Lisa. Each school now has a point of contact for questions, concerns and support. Please contact the school office in the first instance if you can't catch Shazia Khan (Christ the King) or Lisa Parkinson (St Cuthbert's). We hope, in time for both governors to spend time on each school site, as they journey on their governor office together. To put a face to the name here is a couple of pictures of Lisa.
