## Eat Well, Move More

Year 2 have been working with Blackpool Active to learn all about living a healthy lifestyle. They have really enjoyed activities involving healthy eating and exercise.

## Head Lice

Please can you check your child's hair on a regular basis for head lice and treating if necessary. Early detection and treatment will prevent the spread between children.

## EYFS Learning

This week EYFS have been talking about the three kings and how they brought baby Jesus some special gifts. They have been learning about God's house, even having a go at making their own version.

## Golden Book Assembly

Congratulations to all those that received a certificate this week.

**Nursery** Nemuel D for settling into nursery so well, joining in on carpet sessions, eating his school meals really well and tidying up his areas. Well done Nemuel!

**Reception** Jackson V. Miss Malone and Mrs Scofield are so impressed with his attitude to his learning. He is working so hard to do his best with all of his work and make the right choices when he's choosing.

**Year 1** Aria-Rae S for your controlled, precise and strong movements in gymnastics. Aria-Rae has such attention for detail with her movements. She knows exactly how to move her body in our different shapes and has really impressed us with her tidy routines. We have an olympian in the making! Well done Aria-Rae!

Alek M for overcoming your nerves and showing resilience during a tricky time in class. We are proud of you Alek and are so glad you are coming to school everyday again. Well done! :)

**Year 2** Lucas V for trying hard with his writing and presentation of his work. I am so impressed with how much you have progressed in literacy and when you put your mind to it you come up with some great ideas! Also we love all your interesting facts, stay curious Lucas!

Lore C. I was very proud of you last week for modelling such sensible behaviour and even when you could of become distracted you chose to make the right choice. You even reminded others that they needed to be sensible too! What a star! Well done Lore.

**Year 3** Rocco-Joe P. Rocco has been a wonderful partner to his class mates in guided reading. He has helped his friends to use their phonics knowledge to sound out difficult words. He is an excellent role model to the rest of the class. Well done Rocco!

Zowie G for being an expert in column addition! Zowie has grasped column addition straight away. She has been a great helper to the rest of the class and has even been able to solve really tricky problems using column addition. Well done Zowie!

**Year 4** Seb D for writing a wonderful recount about Pentecost. Seb included all the key details and used SPAG elements he has learned in our writing sessions. We were really impressed. Keep working hard, Seb!

Freya H. Freya has worked hard in all lessons this week. She has been getting straight on with tasks and has put in lots of effort to create a grea non-chron report about kangaroos. Keep it up, Freya!

**Year 5** Kayleigh-Mae S-W for always offering to help in any situation. Kayleigh-Mae is always keen to help others with their work, or to do jobs, to tidy up, to offer help to adults and so much more. We honestly could not be without Kayleigh-Mae. She is so helpful, it is like having another TA in the class.

She si such a good rle model for others to follow and she always encourages others to try their best.

Emmanuella O for always putting 100% effort into her work. Emmanuella is really beginning to stand out to me as someone who could potentially be our Head Girl next year. She is so helpful around school and is always setting good examples to others.

**Year 6** Izzy B-E. Izzy showed great maturity recently when things were going wrong between two of her peers. While other children made mistakes and made the situation worse, Izzy was brave enough to stand up for what was right. Our school, and the world, would be better places with more Izzy's in them.

## Year 3 Trip

Year 3 had a fantastic time at Salisbury Woodland and Stanley Park on Thursday. They explored the woods and enjoyed collecting items from nature and using them to create portraits. Year 3 are hoping to write a diary entry on their adventures. Thank you also to the volunteers with our trip!

## MCAS

For those who are not receiving the email to get them onto MCAS, our IT department are looking into this. Sorry for any inconvenience this has caused. If you require any nursery fee balances please contact the office where you can also make a payment whilst we are waiting for this matter to be resolved.

## Well Done

A huge well done to these super stars for completing their level one spellings badge. We now have 11 children who have completed spellings in Year One. Well done! More great news from Year One, Angela has completed our Read Write Inc phonics scheme and is now ready for Guided Reading in Year Two. Well done also to Ellexia for completing the scheme. We are so proud of you both for your efforts in reading, in school and at home.

## SCITT Programme

**Do you fancy a new challenge this year? Why not train to become a teacher in your school.**

Our in-school teacher training programme in partnership with national education provider, Ambition Institute, starts this September. This programme will allow you to:

### Gain first-hand, practical experience and a professional qualification.

You will learn what makes an effective teacher through our evidence-based and subject focused theory and bring this to life by rehearsing with your peers and personal mentor in a school environment. After successfully completing the training, you will also gain qualified teacher status (QTS) and a postgraduate certificate in education (PGCE).

As you know, recruiting the right teachers in our schools is key to our children's education. If you share a passion for lifelong learning and want to make a difference to the lives of our pupils, please consider applying for our September 2024 cohort.

### Get support throughout

As part of your weekly schedule, you will get 90-minute one-on-one support from your personal dedicated mentor who will offer coaching and guide you on lesson planning for the week ahead. This will also include 30 minutes protected time to discuss your wellbeing and workload.

### Turn your experience into a career in teaching.

Team your existing skills and experience with our high-quality teacher training and enable you to be a fully qualified teacher in 12 months (full-time training).

For more information about our Teacher Training programme please visit [www.northwestscitt.co.uk](http://www.northwestscitt.co.uk)
