Workshop

Thursday 28th March

Break Up For Easter

Monday 15th April

Welcome Back

Valentines Disco

Last Friday we had our Valentine's disco. What a wonderful turn out we had. The children enjoyed a good old dance followed by pizza and chips.

World Book Day

The annual World Book Day event takes place on Thursday 7th March. As you will have read in the recent letter about the event, staff and pupils have been challenged to dress as a word. This could be as simple as children dressing in pyjamas with the tag 'exhausted' attached to them, or wearing sports clothing to reflect the word 'athletic'. It really is open to any ideas that you and your child come up with. Please do not feel like you have to go out and spend on outfits or materials. Further ideas are in the pictures below. On the afternoon of World Book Day, all classes will be completing book themed activities in class. For this, **Key Stage 2** children need to bring a book they have read in from home for a class book fair. Children will swap books with peers at this event. The books should be in good shape and should be a book your child is willing to part with. Books shouldn't be previous world book day books or books they have been given by school.

Year 2- Low Ropes

On Monday Year 2 went on a trip to Low Ropes. They had great fun climbing, crawling and working together. They showed great bravery and resilience.

Golden Book Assembly

Congratulations to all those that received a certificate this week.

Nursery Austin A for trying really hard to listen to all instructions this week. Showing super sitting on the carpet and joining in! Well done Austin we are so proud of you.

Reception Ola C for trying so hard to listen to sounds in new words - we are so pleased with the progress you are making Ola! We are starting to read some of your words!

Karter L for excellent tidying. Your area always looks super and you even help your friends with their area. What a super friend!

Year 1 Sahara W. Sahara was super helpful when making our valentines disco decorations. She explained all the instructions to some of the class and then coached them through the whole thing. A teacher in the making! Well done Sahara!

Riley H. This week Riley has followed our classroom rules perfectly! He has been a model student when we have been sat on the carpet, doing class work and tidying up. Well done Riley! Keep it up!

Year 2 Willow S for always, always being so well behaved. Willow sits quietly and listens on the carpet, even if sometimes others are not. She is such a good class partner and shows great teamwork and a willingness to help others. What a super star you are Willow!

Benjamin K. I was so impressed with Benjamin's neat writing last week, he spent time and concentrated so hard on the presentation. He even got on the WOW work board a few weeks before for the same reason! Keep it up Benjamin, you can do it!

Year 3 Fabian P. Fabian was fantastic during our trip to Beacon Fell. His behaviour was perfect and he worked well with other members of his group. Well done Fabian!

Logan B. In year 3, we have been learning our 3x tables. Logan has worked hard with this and has understood them well. Keep it up Logan!

Year 4 Natasza K. Natasza has been a great role model to others this week. She has helped younger children remember our rules and has always been doing the right thing - well done, Natasza!

Natan C. Natan has worked really hard in maths this week. He is developing his confidence to give more things a go without checking with an adult first. This is great to see - keep it up!

Year 5 Emily A for being a mature and responsible student, always offering to help her peers when needed.

Logan R for being a supportive friend, looking after Bobby at break and lunch times.

Year 6 Olly-James S. Olly James is in the Golden Book for his contribution to the science lesson last week. Olly James said that a solar eclipse was an example of an opaque object blocking rays of light. Olly James has a great knowledge of science. Well done, Olly James!

Izzy B-E & Brooke H. The girls have taken responsibility for their own learning by giving up small amounts of their own time to improve their understanding of some calculation methods. Going above and beyond in order to better themselves is fantastic to see.

Year 3- Beacon Fell

Last Thursday Year 3 visited Beacon Fell, despite the not so nice weather, they all had a lovely day. Miss Robson was so impressed with their behaviour and great team work, supporting one another. Well done Year 3.

School Of Sanctuary

Our school staff learnt about a special project on our INSET day together. We focussed upon the need for spaces within our school to be safe and welcoming. Look at how we have transformed our spaces to share that message.

Breakfast Club

Breakfast club has kindly asked for some toy donations for their breakfast club. You can either drop any donations off when you drop your child off or you can bring them to the office.

Eco-Schools

We are pleased to say that Christ the King appeared in the Blackpool Eco-Schools newsletter.

Blackpool Schools working on Eco-Schools!

Congratulations the local schools that have signed up to work on Eco-Schools this year. There's still 5 & half months yet before the submission date, that's lots of time for projects and so on!

Year 4 - Go Ape

Yesterday Year 4 went on their trip to Go Ape. What a fantastic day had by all, Miss Smith was so impressed with the way they all helped one another, especially when things became a bit scary and at times challenging, well done Year 4!
