## Break The Rules Day

Some great rules were broken last Friday and everyone was in good spirits, especially in our after school club! PTFA have again worked hard to help raise valuable funds for our school. A big thank you to all those who helped to organise the event. Mrs. Smith spotted nail painting, own clothes and a special rogue addition (Lola P and her times table cheat list! .....she says thanks Amiyah for your gift!).

## Golden Book Assembly

**Congratulations to all those who received a certificate in last weeks Golden Book assembly**

**Nursery** Seven C. Sven has blown us away this week with his fabulous effort in maths! Sven has been spending lots of time in our maths area, independently completing our challenges. Well done Sven!

**Reception** Eira T. Eira is ALWAYS a kind friend to everyone, she helps others without being asked and makes us smile every day. We are so pleased to see Eira's confidence grow to express her feelings to others as well. Keep it up!

Fletcher H. Fletcher's attitude and determination to learn and improve has been noticed, not only by Miss Malone and Mrs. Schofield, but also Miss Calvert! This week he has been choosing to do independent maths and phonics work, and has been working SO hard. We love to see this Fletcher!

**Year 1** Asher-James P. Asher has been a real star this week, showing a more mature attitude in his lessons. He has been writing words by himself, cheering on his friends in sensory time and sitting on the carpet and listening during learning sessions. We are really proud of him! Keep it up Asher. :)

Jessica C for your confidence during our DT lesson last week. In DT the Year One children are learning how to be chefs. The children have been using knives, graters, peelers and juicers. Jessica was able to explain the rules for each tool and knew how we should be safe. She was a super help for Miss Calvert's mummy and looked after her group really well. :) Thank you Jessica.

**Year 2** Noah D. Noah always gives really good answers on the carpet, showing such a curious mind. It is wonderful to listen to your ideas Noah, keep it up!

Archie A. Archie has been trying much harder with his writing and has impressed us with how neat he can be if he takes his time. Just keep trying Archie and you'll keep improving!

**Year 3** Scarlett H for being fantastic on our school trip. Scarlett demonstrated fantastic listening skills while we were there and the Waterpark instructors were impressed by Scarlett's willingness to step out of her comfort zone and try new things. Well done Scarlett!

Kshiti N for always presenting her work so neatly. Kshiti ensures to take her time while working and always takes pride in her work. She is a fantastic example to the rest of year 3. Good job Kshiti!

**Year 5** Lottie B for always setting a good example to others in terms of respect to staff and her peers, keeping the classroom tidy and supporting others. A Head Girl in the making maybe!

Mia L for a significant improvement in her times table speed and accuracy. Her 'heat map' on TTRS is very impressive. Well done Mia!

**Year 6** Oscar J. Oscar is working really hard to improve his arithmetic skills by giving up his own time during the school day and completing extra work at home. His attitude has really impressed the adults in year 6.
