Year 6 Super Stars

Year 6 have been tidying up the school quad and doing a spot of gardening. What a wonderful job they have done!

Playtimes CTK Style

The clear dry weather has been a great opportunity for our children to engage in a great lunchtime play. Staff provided our children with large pieces of chalk and just look at the results!

Valentines Hamper

Unfortunately Valentines discos have been cancelled this year due to the high number of cases. So we can still mark this occasion, we are raising funds by doing a Valentines hamper which will be raffled. Tickets can be purchased for 50p a ticket from Monday and the Year 6 children will visit each class selling raffle tickets. The hamper includes a selection of Valentines goodies (chocolates, smellies and more!) The winner will have to have an adult to collect it as the hamper contains alcohol for the adults.

EYFS Cases

So many families supported our efforts on Thursday lunchtime in keeping our children in EYFS safe. We have sadly had an increased number of cases. Public health advised that parents now test their children, in that class, every day. Public Health encouraged those remaining in school to be tested that afternoon. Some parents came to test their children and others asked school staff to help.

Governing Body

Hello, my name is Emily Duxbury. My journey with BEBCMAT began at Christ the King where I was a student teacher in Year 1. After gaining lots of experience I decided to apply for a teaching position and was thrilled to be appointed as Year 1 Class Teacher at St. Cuthbert's. I am now in my fourth year of teaching here. I am also a part of the history team, working to develop the history curriculum across both primaries. I am very excited to have been elected as staff governor, and I look forward to working alongside the rest of the governing body to support the growth and development of both primaries.

Online Learning

Another week another class has needed a large number of online learners. This last week has been year 1. Miss Calvert has worked hard with staff in school to ensure isolation for "Team Year 1" did not affect progress, learning or fun. Miss Calvert gave them a special shout out in assembly this week too go year 1 and hopefully things will return to normal for you all next week. A great big thank you also to Miss McKay and Mrs Kirkham. Their support in dealing with further absences this week with a smile, a happy attitude and genuine hard work must be noted. Mrs Smith is very grateful! I am sure our year 1 parents are too.

Consultation

A letter has been sent home with this Newsletter today, please engage with the parent consultation.

COVID
